# CALL FOR ARTISTS

2027 SCHEDULE

The Art-image exhibition centre, located within the Maison de la culture in Gatineau, invites artists to submit proposals for innovative contemporary art exhibitions featuring recent works for its 2027 programming. We are seeking compelling, forward-looking projects rooted in current artistic practices.

As a museum institution integrated into a major cultural complex, Art-image offers exceptional visibility. Exhibitions are presented to a broad public and benefit from professional installation and promotional support provided by the centre's team, in close collaboration with the artist. An exhibition fee is paid in accordance with current standards.

Art-image is located on the first level of the Maison de la culture, directly adjacent to the main corridor and the Salle Odyssée. The space is a self-contained, rectangular gallery with white walls and flexible theatrical lighting designed to highlight a wide range of artistic proposals. Works of all formats, including installation-based projects, are welcome.
